The Illinois Walking Horse Association's Board of Directors would like you to know that we believe it is our responsibility as an association to preserve the integrity of the Tennessee Walking Horse by assuring that our members comply with the Horse Protection Act. This is a standard we have in place today and will continue to support in the future. As such, we would like to express our support of HR1518, to prevent all soring tactics. As representatives of our membership we strongly encourage you to support this amendment to the Horse Protection Act!

Sincerely,

IWHA Board of Directors
